**Update on Brad Nehring**

*From Pat Nehring*

Our son, Brad, has been working with the Peace Corps this past year. They're in the middle of the rainy season which in some ways has been easier than he expected. But the combination of heat and wet has been lucrative in terms of bugs hatching. He isn't sure what is in the hut now, but he said he has hundreds of bug bites. They have several wonderful projects going on now. The biggest one is digging several new wells which are desperately needed. He is also starting an adult literacy program that he is very excited about.

He has made more contacts with businesses in Livingstone that are good resources for labor and materials. His biggest struggle continues to be the malaria medication. He is unable to sleep much -about 2 hrs a night which wears on him. He's asking for prayers about the malaria issues. He loves hearing from people.

His email address is : powdrbowl@hotmail.com

**"Circle"? What's a "Circle"?**

When I first joined TLC, I had no idea what a "Circle" was. I'd been a Lutheran all my life, but never belonged to a church with circles. I'd hear about meetings occasionally, but was not particularly compelled to seek them out. Then one day Linda Kurz invited me to come join Dorcas Circle. The meetings were held in different homes of the members, there would be treats and a Bible study. Sounded like a good way to meet a few people on a more personal level.

So I went. At first I felt sort of out of place. Half of the group was around my age, and the other half about my mother's age. I didn't know these people very well, and the Bible study was nice, but not particularly profound. I thought about dropping out, but something (the Holy Spirit?) propelled me to keep at it. I kept attending every month.

After a while, I got to host the group at my house.

Now I can't imagine leaving this group! These women have become my friends. We have shared the ups and downs of life; our prayers together have reflected what is most important in our lives. We've signed and sent out dozens of cards to friends who are shut in, hospitalized or going through a rough time. We have had some "ah-hah" moments in our studies. We've supported important causes with our monthly contributions. We have consumed not a few calories and shared some yummy recipes. We have served together at the funerals of three of our members. Sometimes we've cried, and at other times had a good belly laugh.

This is what it's about. Caring for each other with Christ as our center. --Elizabeth Snodgrass

## The Writer's Pen

### Speechless By Darrel Eide

**How many ways can a husband tell his wife he loves her? Does saying it ever lose its meaning? Is it ever not appreciated?**

**If you have a wife like mine, you can never say it enough and it never loses its meaning. It is also always appreciated.**

**I play this game with Virginia. I will call her from strange places, with my cell phone it's easy, but I'll call her from telephone pole 272 along Highway 16 for example and say, "Have you ever been told I love you from pole 272...."**

**She just laughs and tells me to get back to work.**

**I called her with the same message from a park bench in Lincoln Park and from the deck of a Washington State Ferry.**

**The message is always the same. I love you.**

**The great thing is that it honors her and everything my parents and my pastors have taught me. And it reminds me to be appreciative of this tremendous gift from God she is.**

**Am I too sappy? Maybe so, but she's even sappier than I and I love her for that as well.**

**All this I've learned to say when life was going pretty well. But I got sick.**

**In an unrelenting way every day, it seems, brings on a new and more distressing symptom or complication of my disease. I get fatigued and weary and my optimism wants to hide from me and the world. Some days I can't even open my Bible or listen to music, or watch a funny movie. Some days I see nothing but black and feel like I'll never be well or happy again. Some days I feel so sad that I know I am sinning by closing myself off from God by closing myself off from my wife. But something always saves me.**

**Yesterday it was chicken soup. Homemade chicken soup set before me by my wife. I smelled its wonderful aroma and looked into this potpourri of goodness. I looked at the special Virginia touches done just for me. The whole wonderful meal made just for me, and I am overwhelmed.**

**My wife thinks I'm special enough to use her limited energy to do what ever it takes to get me through this illness. She thinks I'm worth the effort.**

**I put my spoon down and reach for her hand. She takes it and seconds later when she knows I can't tell her how I feel, she looks at me.**

**"I know you love me Darrel" She says it so naturally.**

**It was still our game. She knew that I was calling from the depths of depression, a place I've never before called her from, but she knew why I called her. She held my hand and lifted me out of my sinful existence and reminded me of our Holy bond. She knew how I felt even though I was speechless.**

## God Shows Up

It was weeks in the planning...a single service for the annual meeting on January 28, the youth offering a Passion Mime presentation, Uncle Dan's Original Recipe adding bluegrass flavor.

Then Marge Johnson died. And on the morning she died, an eagle soared over Signe Lukasiak's car as it crossed the Carbon River Bridge and down into the river's gorge. Peace.

Marge's nephew, Brad, and his family joined us for worship that morning at 9:00. Both he and Becky are deaf. How perfect that the kids preached the gospel through actions with no need for sound!

And though Brad didn't hear the music, the words of one song leaped out: "I'll fly away in the morning, I'll fly away. When I die, hallelujah by and by! I'll fly away." At Marge's service, Brad said in words and sign, "Aunt Marge flew away into the arms of God—just like the song." Over and over his hands and body demonstrated: Aunt Marge flew into the arms of God.

Doug and Paige and I hope and pray when we plan worship that we're hearing God's voice and following God's plan. This time God had it all in hand—from months ago. I suppose God always does. Amen.

—Pastor Brenda

## Why?

A mother asked President Bush, "Why did my son have to die in Iraq?"

Another mother asked President Kennedy, "Why did my son have to die in Viet Nam?"

Another mother asked President Truman, "Why did my son have to die in Korea?"

Another mother asked President Roosevelt, "Why did my son have to die at Iwo Jima?"

Another mother asked President Wilson, "Why did my son have to die on a French battlefield?"

Yet another mother asked President Lincoln, "Why did my son have to die at Gettysburg?"

Another mother asked President Washington, "Why did my son have to die near Valley Forge?"

And, a long, long time ago, a mother asked: "Heavenly Father, why did my Son have to die on a cross outside of Jerusalem?"

The answers to all these are similar: "So that others may have life and dwell in peace, happiness and freedom." ~ *Author Unknown*

## Children's Angel Stories

**I only know the names of two angels. Hark and Harold. Gregory, 5**

**Everybody's got it all wrong. Angels don't wear halos anymore. I forget why, but scientists are working on it. Olive, 9**

**It's not easy to become an angel! First, you die. Then you go to heaven, then there's still the flight training to go through. And then you got to agree to wear those angel clothes. Matthew, 9**

**My guardian angel helps me with math, but he's not much good for science. Henry, 8**

**Angels don't eat, but they drink milk from holy cows. Jack, 6**

**Angels talk all the way while they're flying you up to heaven. The basic message is where you went wrong before you got dead. Daniel, 9**

**Angels have a lot to do and they keep very busy. If you lose a tooth, an angel comes in through your window and leaves money under your pillow. Then when it gets cold, angels go north for the winter. Sara, 6**

**All angels are girls because they gotta wear dresses and boys didn't go for it. Antonio, 9**

**My angel is my grandma who died last year. She got a big head start on helping me while she was still down here on earth. Katelynn, 9**

**What I don't get about angels is why, when someone is in love, they shoot arrows at them. Sarah, 7**

## Trinity Lutheran Preschool Early-Bird Registration Time

Early-Bird registration is now being taken for the 2007/2008 school year for parents having a child currently enrolled, members of TLC and alumni families of our preschool. Registration is on a first-come/first-serve basis and a waiting list will be kept when classes fill up.

If you have friends interested in our program, have them give me a call and I will be glad to set up a time for them to tour with their child. If you have any questions give me a call @ 360-825-6522. Thanks, Carry Schmitt, Director

## Come to the Table!

I'm excited! I'll be joining the 3rd-5th Grade Sunday School Class for the whole month of March to teach about Holy Communion. We'll focus on some basic Lutheran thoughts on Communion and on the story of the Passover and the Jewish Seder meal—Jesus "Last Supper" with his disciples. We'll watch The Prince of Egypt together or at home and talk about it in class. We'll bake communion bread together and share an exodus meal. And we'll learn/review some basic manners about receiving communion.

Some of your kids already take Communion and/or went through Communion Instruction last year. I encourage everyone to join us this year again! Come, get a review, enjoy the time together as families and with other kids and families in your grade level. As a parent in this age group, I want to gather a close group of kids for support here at church, and now's the perfect age to do it! AND as a pastor, every time I study Holy Communion, I come away with a deeper understanding and experience at Jesus' table—I invite you all to do the same! Bring grandparents along, too! Pastor Brenda

## Adult Forum "Children Belong at the Lord's Table"

Pastor Jim Christianson is currently leading a conversation about Holy Communion and children's place at the Table. It will be a time of sharing stories: our stories and the church's story.

Feb. 25: "Holy Baptism & Holy Communion"

March 4: "Holy Communion: The Presence of Jesus"

March 11: "Holy Communion: A Community/Family Meal"

March 18: "Being the 'Body of Christ' in the World"

March 25: "Holy Communion: How Much Understanding is Necessary?"

## Caregivers Meeting

March 13, 2007 will be the next meeting of Trinity's Caregivers. It will be from 1:30—3:00pm. These are members of Trinity who visit home bound members. If this sounds like a ministry for you, come join us! Contact Rev. Jim Christianson, 825-6561.

## Class of 2007

Here is the list of current, active seniors that attend Trinity: **Steve Aubert, Lil Frerichs, Stephanie Johnson, Lauryn Kremling, Katie Lukasiak, Kyle Molinaro, Heather Reich, Michael Rossi, Katie Stucker & Clayton Sund.**

Please let us know if we've missed anybody *right away*. Quilt Sunday this year will be on May 6th. If you have any corrections/additions to our list, contact either Gae Lynne Sandberg, 825-8939, or the church office.

## Youth and Family Ministries Annual Report - 2006

You may notice that the name has changed from Youth Committee to Youth and Family Committee. This change reflects our intention to lift up not only our youth, but entire families. We feel it is important to recognize that the family is the foundation for building and growing in faith. This also reflects the combination of the Parish Education and Youth Committees. This committee will not only be responsible for youth group activities at all ages but also for Sunday School, Confirmation, Elementary age Bibles, and First Communion. Our hope is that we will add family activities and emphasis in the year to come.

2006 has been an interesting year for Youth and Family. There have been some definite ups as well as several downs. The silver lining is the committed parents that have given their all to try and keep the youth engaged as well as revive an active and exciting youth program. The youth of Trinity have long been the seed that brings our congregation together and helps us grow as a close community. We hope to keep that seed growing and blossom it into great things in 2007!

### Summary

#### Spring

In April the Trinity GOLD Group (High School) held an auction dinner that had outstanding turnout from Church members and some great service from our Youth. We raised approximately \$6000 to be used for the Mission trip to Minneapolis last summer. Mary Aubert, Sue and Ed Lindner, Stu Johnson and our great GOLD and HYPER youth devoted their time to ensure a fantastic and successful event. Sunday School during early 2006 (prior to summer break) was headed up by Carry Schmitt. We were using the Work Shop Rotation Model Curriculum. It was a struggle to find teachers to commit to the four week sessions but Carry and some steadfast teachers carried it off thanks to their hard work and dedication! Thank you all! Due to his demanding work/travel schedule Ed Lindner stepped down from the Chair in May and Jody Horn stepped in to fill his term.

#### Summer

Our Youth Director, Aubrey, decided to leave Trinity and return to work at Trinity Lutheran College in June. The Council along with the Youth and Family Committee realize we have had a significant turnover in the Youth Director position and are looking at all facets of attracting and maintaining a new Youth and Family Director. This is being done, in part, through exit interviews with those who have left, as well as leadership interviews, in an effort to gain insight on how we can achieve our goals. We recognize that this process has taken a very long time to begin and promise to do our best to move forward productively and quickly. After Aubrey's exit, Ken Greer and others coordinated a highly commendable effort with other volunteers to proceed with the Mission Trip. Kudos to Ken for he organized the tickets.

Three times during the summer several concerned parents met at Jody and Bob Horn's home, along with Pastor Doug, to attempt to resurrect the Youth Program. It was during this time that Jay and Jaime Osborne and Bea and Justin Murrell agreed to step in as temporary leaders for the High School (GOLD) until a Youth Director could be found. As of January 2007 Jay and Jaime are still working with the GOLD on Sunday nights and doing a fabulous job! There are an average of 4-5 kids attending each week. Stu Johnson unexpectedly resigned his position as the middle school youth leader in August. Don Bollman has stepped in for Sunday School this year, however, we still do not have a leader for HYPER. Vacation Bible School was held the week of August 14th with approximately 50 children participating. 25 adults and young adults helped. The true hero of VBS organization was, once again, Teresa Boyes who has led the charge for many years in a row and also deserves a statue!

#### Fall

Confirmation began in force again in September with a new and improved curriculum. Parent participation has been much better this year and there were many positive comments regarding the new program. The name of Worship on Wednesdays, WOW has recently been changed to FINK, Faith Incubators. There are an average of 27 kids and 9 leaders. There has been very little activity in the Middle School age group (HYPER). There was a Halloween party at the church in October. There have been limited activities for KOOL Gang (2nd -5th grade). There was a swimming party in September with about 15 attending and a well attended Bowling party in November. About 45 people attended that. The 2006/2007 school year began with no Sunday School in place. We currently have no volunteer in charge of organizing Sunday School. Tammy Rismiller, Ayme Ledenko, and LeeAnne Scott have stepped up brilliantly to run a program for ages 3 through 2nd grade. They have an average of 10-20 children attending. The 3rd - 5th graders were taught "Walk Through The Bible" by Pastor Doug until the end of November. Teresa Boyes has taken over this age group this January. Stu Johnson began the year teaching Middle School. After Stu stepped down, Don Bollman graciously replaced him; Don has an average of 3 or 4 attending. The High School has had no Sunday School so far this school year. In November the efforts to find a new Director of Youth and Family Ministries began anew. The search team was appointed and the process continues to move forward. At the time of this writing we have interviewed 7 candidates. There were three who we liked but one that stood out and had all the requirements we were looking for. We plan to bring him and his wife here for a second interview in early March. God willing, we will have a new Director sometime this spring! Overall, it has been a year of struggle and, because of that, real commitment from those who have worked so hard to pick up the pieces and keep on rolling! The Youth and Family Committee has renewed its own commitment to put Trinity's youth program back on track and make it better than it has ever been. Please pray with us that God leads us in the right direction.

## The Circle of the Month!!

This month we would like to bring attention to the QUILTERS!!! An awesome group of women, that's for sure!! The quilters are involved in Lutheran World Relief, and Plateau Outreach Ministries. They make custom quilts for each of our graduating seniors; they collect cancelled stamps and eyeglasses for the benefit third world countries; and make quilts for DAWN - a sanctuary for domestically abused women and children. Our own Doreen Zimbelman is the chair for the quilters. If you'd like to get involved with any of the other Circles, please contact the office, or one of the pastors.

## Hammers Ho!

Luther and Lil Frerichs went on a medical mission to Corner of Love in San Ramón, Nicaragua recently AND looking ahead to June.

This June 20-28, Corner of Love hopes to host 50 volunteers in a huge push to complete its dormitory chapel, kitchen, and bathrooms. Will you be one of them? No expertise necessary (though always helpful!).

I dream of my Dad taking grandson Ben on a trip like this one day. Do you want to build an unforgettable memory with someone in your family? Lend a hand, work beside Nicaraguan pastors and soon-to-be-friends, and see God's world like you've never seen it before!

## Solicitors

Trinity does not give cash to people stopping by the church, or loitering in the church parking lot. We support several local ministries that help those in true dire straits. Recently we have had people asking for cash from people here at the church, or out in the parking lot. These people can become aggressive.

The best way to handle this situation is let them know that we support local ministries, including Plateau Outreach Ministries, which helps folks with groceries, clothing, rent or utilities. Please—do not give these people cash, but refer them to these ministries.
